Building a Culture
Worth Belonging To
BECAUSE CULTURE STARTS WITH YOU

Session 2

Lead by example & build trust

Leadership is always teaching

Whether we realise it or not, people are learning from how we speak, what we notice and how we respond when things go wrong.

Lead by example every single day

Our staff and pupils take their cues from us. The standard we hope to see has to begin with us.

Build trust through visibility and relationships

Make time to listen, be genuinely available, and act on what people share with you.

Building a Culture
Worth Belonging To
BECAUSE CULTURE STARTS WITH YOU

"Trust is the glue of life. It's the most essential ingredient in effective communication."

Stephen R. Covey

Consistency builds trust

People need leaders they can predict. Character shows itself most clearly in small, everyday moments.
